

# Hill-Murray School

## The Catholic Benedictine Prep School

Dear Hill-Murray Students and Parents,

We are preparing for a great year at Hill-Murray for the 2024-2025 school year. As I have said before, our uniform is more than just a dress code; it is a symbol of our rich tradition and a testament to our strong community. As you know [from reading my last communication on uniforms](#), we are excited to open our first online [UNIFORM STORE](#) for Hill-Murray. This online store includes youth apparel for middle school students and men's and women's apparel for high school students. [CLICK HERE](#) for a printable summary of the uniform store options. **Please take a moment to review the [Uniform Policy at Hill-Murray for the 2024 - 2025 school year](#).**

### **IMPORTANT UPDATES:**

- **1st Order Deadline – Thursday, July 11, 2024:** Our inaugural portal will be live until Thursday, July 11th. It is of utmost importance to place your orders before this deadline to ensure prompt delivery. Once the portal closes, GameOne will process the orders, embroider them, and ship them directly to your home. **The next portal will open in late July – stay tuned for updates in your email!**
- **Samples:** Please note that we understand the significance of a perfect fit. While we will not have samples available at the school until late July, we have included comprehensive sizing charts with all of the items. ***If you order during this first period and they don't fit, don't fret. You will have the option to exchange items in August at the school, ensuring you get the perfect fit for the new school year.***
- **The UNRL (Brand) Skort:** We are excited to add the new UNRL skort to our uniform selections in addition to the two other skort styles. However, UNRL informed us the skort will not be available until August. If you order it now, it will be back ordered until late August. Despite the deadline, we want to include it. Please know that the students have many options for skorts, shorts, and pants. We apologize for the inconvenience and delay for that particular brand, but there are many options available.

In the meantime, if you have any questions, please contact [Colene Erickson](#) in the Hill-Murray Business Office, or new families may continue to reach out to [Jen O'Gary](#), the New Family Engagement Coordinator.

Sincerely,

Melissa Dan

President
