## Summer Reading Program

The Nicholas Center at Hill-Murray School, in partnership with Youth Advantage of Stillwater, invites all struggling readers **entering grades 1st-6th in the fall of 2025** to join us for The *Nicholas Center Summer Reading Program* at Hill-Murray. The *Summer Reading Program* is a 6-week, structured literacy program that focuses on boosting literacy skills in students, including phonological and phonemic awareness, vocabulary development, morphology, comprehension, and fluency.

*The Summer Reading Program* students will have the opportunity to read daily, receive direct instruction based in the Science of Reading, interact with their peers during a myriad of literacy activities, take home books to keep and read courtesy of The Free Book Buggy and Literacy Minnesota, and take a journey down an individualized reading path through their interaction with a multisensory, structured reading iPad app.

Most importantly, students will discover a love for reading and a confidence that will permeate all other aspects of their lives!

The 6-week *Summer Reading Program* will run every Tuesday, Wednesday, and Thursday from June 17th, 2025 through July 31st, 2025 from 9:00 am - 12:00 pm. (Note: **NO programming July 1, 2, 3**)

COST OF 6-WEEK PROGRAM: \$300
